

David Kavanaugh

Snohomish, WA davidkavanaugh.dev@outlook.com (336) 858-7702 github.com/davidkavanaugh linkedin.com/in/david-kavanaugh-9b444417b

I'm a self-taught full-stack software developer with a background in medical billing and customer service. I've been building websites since I was in middle school and have been developing MERN stack applications since my wife and I moved to Puget Sound in 2014. I'm currently working part-time for a local startup called BidChuck, but I'm looking for a full time position.

Technical Skills

HTML	CSS/SCSS
JavaScript	ReactJs
jQuery	TypeScript
NodeJs	MongoDB/Typegoose
Redux	ExpressJs
Git	Hapi
Mocha/Chai/Sinon	Azure DevOps
Docker	Kubernetes
